Profile Summary

With a background in Civil Engineering and an Advanced Diploma in Computer Applications, I bring a unique blend of technical skills and expertise. My experience in civil engineering includes project management, structural design, and site supervision. In addition, my proficiency in computer applications allows me to integrate technology into my work, enhancing efficiency and accuracy. I am adept at using software such as AutoCAD, SKETCHUP. I am passionate about leveraging my technical knowledge to deliver high-quality results and solve complex engineering challenges. I am seeking opportunities to contribute to innovative projects that combine my engineering and computer application skills.

Internship

Public Works Department, 31 Days

Education

B.Tech/B.E. - Civil
2024

Rungta College of Engineering and
Technology, Bhilai
Grade - 70%

12th
